## Welcome

Thank you, we appreciate your interest in Allied Finance Adjusters Conference Inc. I would like to tell you a little bit about our members and our Repossession Association. My name is George Badeen and I am President of Allied Finance Adjusters Conference Inc. We are a national trade association of automobile repossession agencies, which is dedicated to the advancement and continuing education of our craft. Our repossession association was founded in 1936 and is considered the oldest trade Association of its kind in the nation. All our members are independent businessmen and women.

This directory contains the most current listing of qualified Allied agents. Our members are required to attend RSIG training and certification classes in their individual states, in that licensing laws and requirements are state specific. Our members also go through a rigorous approval process to gain membership in our repossession association. Our members are located throughout the United States. If you do not find an agent in an area of the country to service your needs, call our home office for referral. All our agents are properly licensed fully insured and are covered by the Allied Client Protection Bond of \$1,000,000.00. Each member of Allied is bound by a strict code of Ethics.

Our executive committee requests your cooperation in reporting any improper performances by any member of this association to our executive Secretary at our home office at 1-800-843-1232. We assure you that as a valued customer our Grievance-Guidance Committees will adjudicate the situation to everyone's satisfaction.

Sincerely,

A handwritten signature in black ink that reads "George Badeen".

George Badeen  
Allied Finance Adjusters Conference, Inc.

Thereafter suit shall be filed within one year from the reported date of loss or 120 days from the date of rejection whichever is shorter.

(Continued on next page)

- g) This bond shall not apply to a loss if the loss has to be determined by inventory or a profit and loss computation.
- h) This bond shall not apply unless all remedies available to the Indemnitee have been exhausted and the claim has been legally adjudicated.
- i) This bond shall not apply to any claim for the loss or potential loss of income all inclusive due to a loss covered by this bond, nor for damages arising from a loss covered under this bond as to costs, fines, or fees incurred by the insured in establishment of the existence of costs.
- j) This bond shall not apply to loss due to nuclear radiation or radioactive contamination or to any acts or conditions relative to the foregoing.

At that time, all of the claimants rights of recovery against a person or organization shall be deemed "settled" and the insured shall deliver any and all instruments, papers, and information to Allied and do whatever else is necessary to secure and transfer such rights to Allied.
