March 2018,

To Whom It May Concern:

Please allow this letter to serve as your notice that Kansas does not require a license for repossession services.

We are required to operate our tow trucks under the Department of Transportation. We can either register under our state or under the federal government. Prairie Land Services as a US DOT number which is US Dot 1386174.

I hope this helps and if you have any questions, please let me know.

Regards,

Troy Manzi
