Opportunities like this may not come around often! So come learn a little, relax a little and live a little this June at the 2015 Annual Seminar in Scottsdale, Arizona!

The 2014 RSIG/Allied joint convention proved to be a success, with over 500 attendees, more than 30 vendors and some of the best educational speakers to attend one event! The 2015 joint conference intends to set the bar even higher with a projected 650 attendees and 50 vendors with again the best speakers in their respective fields! If our joint convention gets any bigger we may have to look into the Mercedes-Benz Superdome for 2016 and with rates this low you can't afford not to come.

2015's RSIG/Allied Annual Conference Theme is **Communication is Key!** As the cornerstone of any great group, business or industry – effective communication is an absolute requirement. This year's speakers will help attendees learn better ways to communicate to debtors, lenders, staff and family. Communication is more than the verbal or written word. It is also about the dissemination and interpretation of information. Which is why we plan on providing many opportunities for you to gather and share information and give you the tools to communicate that

information effectively. Join us June 24 -27, 2015 at the Scottsdale Resort and Conference Center.

Come to Phoenix and experience the new, best in class 2015 Michael Howk Compliance Training Program!

RSIG Risk Manger and Industry Recognized Expert on Repossession Law and Case Law; Michael Howk has worked for the benefit of the repossession industry for more than 30 years. As lenders demand more of their third party vendors due to the evolving CFPB Committee's Rules and Guidelines, Mike Howk and RSIG have developed a CFPB Training Course to communicate this information to the repossession industry.

More speakers to come so stay tune!

If you can only attend one convention this year, this is the one to come to because this will be larger than any other repossession event in history!

Opportunities like this may not come around often! So come learn a little, relax a little and live a little this June at the 2015 Annual Seminar in Scottsdale, Arizona!
